

BIO – RALPH ZAGHA, M.D.

Ralph Zagha is always ready for a challenge. He selected urology as his specialty due to the vast opportunities to help both men and women achieve positive health outcomes by performing both medical and surgical interventions. Dr. Zagha has been practicing urology in Broward County since 2006. Dr. Zagha is able to perform minimally invasive procedures to help cure many urological conditions from kidney stones to prostate enlargement to tumors.

Dr. Zagha has been involved in many leadership roles throughout Broward County. He is active at the Broward County Medical Association (BCMA) serving on the Board of Directors and Board of Trustees. He is the 2016-2017 President of the BCMA. He currently serves as Vice Chief of Staff at North Shore, Florida Medical Center campus in Lauderdale Lakes. Previously, he had served as Chief of Surgery at North Shore, Florida Medical Center. He is an active member of the Medical Executive Committee at HealthSouth Sunrise Rehabilitation Hospital. He also serves on other committees at University Hospital in Tamarac and Plantation General Hospital in Plantation.

Dr. Zagha completed his surgical preliminary years at Massachusetts General Hospital and urology residency at the Lahey Clinic and Boston Children's Hospital. He earned his M.D. from Tufts University School of Medicine. Dr. Zagha obtained his B.S. degree from the University of California, San Diego with honors in chemistry, magna cum laude and Phi Beta Kappa.
